### This week's Birthday Girls

#### Grace's Snowdon climb over half term

The weather conditions were pretty horrendous on the day with 80mph winds and limited visibility which meant there was no view at all. Unfortunately, Grace had to stop short at around 1000mtrs and just below the final ridge as there was a risk of being blown off the mountain, but she is hoping to try again next spring!

Her Dogs Trust Just Giving Page link is below and if anyone would like to donate £1 or even 50p that would be lovely.
