

Year 5 made Easter Gardens in RE this week.

Year 4 Assembly on Wednesday on Taking Risks.

Year 6 had fun testing a new playground game.

Year 5 taking part in Science Week in the Senior School.

This week
TechBear (IT) was
presented to Isadora

Nounours Français
was presented to
Florence

The Nursery girls have enjoyed joining in with the whole school science quiz.

FoGP Bag2School presentations at Assembly

Years 5 and 6 Aquathon at St Mary's Shaftesbury

We are very proud of the girls who all did outstandingly well at something they had not tried before, it was a fun new experience. They enjoyed supporting each other and the senior girls. We are awaiting the full results from St Mary's but we are thrilled that the Year 5 and Year 6 teams won. There were also several stunning individual performances.

The Nursery girls placed mini gingerbread men in different 'puddles' to see what happened to them.

Baptism and Confirmation Service in Salisbury Cathedral 2.30pm Friday 23 March

All Years 3-6 will be attending and parents are invited to attend. Parents please note, you are asked not to arrive before 2pm as we do not have access to the Nave.

Girls in Years 3-6 will require smart school uniform, **their school board**, blazer and/or school coat for the Service. After the service girls should be **collected from school at approximately 4.00pm.**
Buses will depart at 4.15pm.

School Uniform and PE Kit

We would be grateful if you could please check your daughter's uniform and kit and return any items that do not belong to her to school as soon as possible so that they can be reunited with their owners.

Girls should not bring bags to school on Friday 23 March and will be unable to take any bags to the service in the Cathedral.

We would like to ask parents to please check that all items are clearly named ready for next term.

To celebrate the launch of Science Week and as part of our Inspiring People Series, Godolphin is looking forward to welcoming **Alex Lewis** to the school on Monday 19 March at 7.00pm.

In November 2013, Alex Lewis, from Stockbridge in Hampshire, was close to death. He contracted Strep A Toxic Shock Syndrome, the unrelenting virus, resulting in the loss of all four of his limbs.

Five years on, Alex has undergone an amazing journey requiring extensive surgery and months of gruelling rehabilitation to learn to walk again. His amazing determination and willpower against this adversity is truly remarkable, leading to accomplishments of a tandem **sky dive** and 100km kayak journey around Greenland.

Tickets will be free for Prep parents for this event, but in order to ensure we have allocated seats for everyone, can you please reserve your space via the following link

SAFETY ALERT

I am sorry to have to write again on this matter, but some parents are not adhering to our requests to park outside the school – so as not to cause risks to the girls who see the grounds inside the school as a safe area – and not in front of the gates which would block a key emergency exit.

Please could I insist that these parents desist from so doing and keep our girls safe.

Thank you.
Richard Dain
Senior Deputy Head

March

19	Monday	Menu 1 Visiting Illustrator: Bridget MacKeith (postponed from 2 March)
