

# DEANA PUCCIO FERRARO

'Altered, Airbrushed & Unrealistic'

Deana Puccio is a former sex crimes prosecutor from New York City and co- founded The RAP Project. The RAP Project, or Raising Awareness and Prevention Project, speaks to students, parents, teachers about sexual assault, harassment (peer on peer) and consent, as well as examine how social media and online pornography are influencing attitudes, behaviours, body image and expectations. They have spoken in over 200 schools in the UK and abroad. She is the co-author of the book Sex, Likes and Social Media: Talking to our Teens in the Digital Age, published by Random House/Ebury.

She has appeared as an expert commentator on BBC News and SKY News. She is the mother of three daughters, Emily, 23, Abigail, 20 & Olivia, 17. She is married and lives in London.

## TedX Talks on Porn:

The great porn experiment | Gary Wilson | TEDxGlasgow

Why I stopped watching porn | Ran Gavrieli | TEDxJaffa

Make Love Not Porn: | Cindy Gallop | TEDxOxford

---

## Princess Consent:

---

## RAP TOP TIPS:

- Take a deep breath when you feel stressed
  - Tune out social media for a time every day. Go off grid, off line!
  - Practice discretion. Don't post intimate thoughts or images
  - Remember, Mutual Respect & Mutual Consent!
  - The Choice is Yours: Keep a Positive or Negative Digital Footprint
-
