

COVID UPDATE

We ask that Godolphin students and families avoid mixing as much as possible outside of school. This includes not attending multiple out of school activities such as music, sport and drama groups.

Official Guidance:

Rule of six - from Monday 14 September, you must not meet with people from other households socially in groups of more than 6. This will apply indoors and outdoors, including in private homes and groups of up to 6 must not mix or form larger groups.

Please support NHS Test and Trace and notify reception of any Covid-related absence.

Reminders:

- HANDS - Wash your hands regularly and for 20 seconds.
- FACE - Wear a face covering in indoor settings where social distancing may be difficult, and where you will come into contact with people you do not normally meet. Students must have at least one face covering in school at all times and it is helpful if students have a spare. Please note that these must be washed daily. Students do not have to wear a face covering during lessons but may do so if they choose.
- SPACE - Stay 2 metres apart from people you do not live with where possible, or 1 metre with extra precautions in place (such as wearing face coverings or increasing ventilation indoors).
- SCHOOL TRANSPORT – Please keep your face covering on for the entire journey and sit within your bubbles wherever possible.

Symptoms of Coronavirus in children (from NHS)

- high temperature
- a new, continuous cough – this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours
- a loss or change to sense of smell or taste – this means they cannot smell or taste anything, or things smell or taste different to normal
