ALPINISTS' PROGRAMME

Students in the First to Fourth Year who are showing promise in a particular subject may be invited to take part in an Alpinist (Accelerated Learning Programme) Morning. Academic departments make their own selection of students and run one session during the year for Juniors and another for Seniors. Girls chosen to take part in Alpinist mornings will be notified in advance.

6 February	Junior Computer Science
27 February	Junior Science
5 March	Senior Maths
28 March	Senior History and Geography
