

JERRED NEWS

Autumn Term | Issue 1

It was very exciting in September to open up Jerred as a boarding house and lovely to have the mix of boarders and day girls living together once more. We are especially grateful for those that have volunteered to represent the house on various committees.

Our main focus has been to continue to build a sense of community. One area the students naturally migrate towards is the kitchen and we were thrilled to be greeted with a very smart, new design on our return. It is the perfect place for a mug of hot chocolate and a catch up. It has been re-equipped and has already been put to good use with Cookie and Cake baking.

Blowing bubbles is supposed to be relaxing and calming—however not in Godolphin. As always the competitive spirit shines through and it then became a very competitive evening to see who could blow the largest multi bubble.

As a Sixth Form house, we are very aware that the students are very busy, with many different demands made upon their time, so finding helpful ways to unwind and has been paramount.

Table football is also an excellent way to let off steam.

Getting ready for Snack Attack

In one of the weekly house meetings we had been discussing the benefits of sleep and how we should all practise a more sleep-friendly routine before we go to bed, which we have all been trying to put into practice.

One way was to make Lavender bags to place under the pillow at night. This proved very popular and a 'spa' _night, a hand-massage workshop are just two of the suggestions to help us achieve our goal.

Elsie's weekly visits to the house have proved to be a popular time to come and have a bit of a chat and she is a great addition to the 6th form pastoral team. #godolphinsixthdog #elsie

The L6th Sarums have been busy putting their own personal touches to their study space—now named The Crib. This room definitely wins the prize for the best decorated!

We have more house activities to follow next half term, with the great suggestions for the Book Swap, magnetic boards for their favourite photos of their friends and Christmas crafts to name but a few.
