SCHOOL HOUSE NEWS

Autumn Term | Issue 2

Dear All

A very merry Christmas from all at School House! I am incredibly grateful for the warm welcome from School House and the wider community. Godolphin has become a Winter Wonderland: the snow (okay, frost) is definitely glistening and, last Sunday, Boarders and Sarums alike braved the cold to see the beautiful sight of the Christmas lights at Kingston Lacy. We may not, as the song goes, have built a snowman in the meadow, but we did make wreaths with greenery from the School Grounds.

I hope your holidays are full of restful moments and all our pupils return ready to face unafraid all their plans and ambitions for the New Year.

All good wishes, and Happy Christmas,

Rebecca
