Give something back

Relate to other people

Exercise your body

Appreciate your world

Try something new

Activities in Walters

We are very experienced at settling girls into Walters and a good deal of care goes into providing a balanced and exciting activity programme both during the week and at weekends.

The aim is that the girls further their relationships and take their learning outside the classroom, whilst pushing themselves out of their comfort zone, and most of all having fun!

The programme is carefully designed, based on the 5 ways to mental wellbeing and includes a wide choice of both indoor and outdoor activities for our boarders.

Walters weekends are about fun, freedom and having a go at something new.

Saturdays involve an hour and a half of prep time in the morning, followed by a visit to town before lunch. Most matches take place on Saturdays and also all kind of activities. As well as exciting trips, we make the most of the wonderful Godolphin facilities. We are privileged that Salisbury is a super location, with lots happening in the city.

Sunday mornings usually begin with a well-earned lie-in before brunch. Some Sundays we attend a religious service either at Salisbury Cathedral or other local churches.

September 2019
