Godolphin Cookery Book

This term FoGP have tasked themselves with producing a Godolphin Prep cookery book, which we hope will provide a lovely Christmas present for friends and family.

We need your help! Please would you, your children, Granny, Daddy and even Grandad share their favourite recipes (starters, snacks, main courses or desserts) with the Godolphin Prep community. From your 5 minute cheating family favourites to your more detailed dinner party specials. We would love to see them.

We're requesting for up to 2 recipes per pupil and would love you to include a photo of the chef to.

To launch this new FoGP venture, your daughters should have come home today sporting a chef's hat with a special access code on it. Please use this code to log in to the website, but just in case, I've included all the log in details below as back up.

www.thecookbookinitiative.com/log-in#parent

Godolphin access code: j30261c47d (case sensitive)

Please be aware we are on a tight deadline (the books are printed in France and need to be finished before the dreaded Brexit deadline!) We will therefore need all recipes submitted **before 1 October** please.

We look forward to seeing all the delicious recipes,

Thanks in advance,
Fran Gomarsall (FoGP)
